

Dallen Rice Reference Letter
9/23/2024

To whom it may concern,

My name is David Putnam and I am the Defensive Coordinator for Bear River High School's football team in Garland, Utah. I am writing to provide a reference for one of our top athletes on the team, Dallen Rice. Having worked closely with him the past 3 years, I have watched him grow exponentially on the football field as well as in the classroom.

Dallen has shown impressive tenacity and discipline in his athletic pursuits. He is a remarkable individual who has demonstrated outstanding dedication, skill, and commitment to his team. Throughout his time as a member of our football program, Dallen has consistently exhibited remarkable athletic abilities both offensively as a running back and defensively as a middle linebacker. I believe he is capable of learning any position deemed necessary for not only his success but for the success of his team. He has remarkable sportsmanship, and exceptional leadership qualities, which got him voted in as one of our team captains by his own peers.

Dallen Rice is not only an exceptional athlete but also an outstanding student. He excels academically, consistently maintaining high grades, currently holding a 4.0, and demonstrating excellent time management skills. He is a true student-athlete, balancing his commitment to sports with his dedication to his studies.

In closing, it is without hesitation that I recommend Dallen for your scholarship program. He has the determination, athletic ability, and academic prowess to make a valuable addition to your school.

Should you require any additional information, feel free to contact me.

Sincerely,

Coach David Putnam
